RE: Planning Board Reappointment

## Dear Mr. Zarutskie:

I write to you to request reappointment to the Town of Newburgh Planning Board and, further, that I be appointed as its Chairman. I have fully enjoyed my years of service to the Town of Newburgh while serving on its planning board. As you also know, in recent years I have taken on the additional administrative burden of coordinating all planning board functions given the cutback in support personnel. I am proud of the work I have done in this regard and I am sure that my fellow planning board members would, if asked, express appreciation and support for my efforts. I earnestly desire to continue in my role as planning board member in the future.

I also believe that my continuation as Chairman of the Planning Board will provide the continuity necessary to the efficient and fair administration of the planning board's business. I would be happy to discuss any of these issues with you and the other members of the Town Board. I thank you in advance for the opportunity to continue to serve the Town of Newburgh.

Very truly yours JOHN P. EWASUTYN

Mr. Gil Piaquadio Supervisor Town of Newburgh 1496 Route 300 Newburgh, NY 12550

Dear Supervisor Piaquadio:

I request consideration for reappointment to the Town of Newburgh Planning Board for a full term. I believe the Planning Board is a solid, well-balanced board that interacts effectively on every project that comes before it and I wish to continue to be part of this ongoing process.

By following appropriate guidelines in a professional and thorough manner, this Board considers the current and future impact that may be created by each project requested, thus providing orderly growth and preserving the quality of life in the Town of Newburgh. Chairman John Ewasutyn and all members of the Planning Board are professional, accommodating, and fair regarding every project.

I am proud to be a member of the Town of Newburgh Planning Board and am confident that this Board will continue to process all projects in a professional manner adhering to proper procedures.

I look forward to continuing to be part of the valuable service provided by the Town of Newburgh Planning Board.

Sincerely,

John a. Ward
