Ms. Grace Cardone, Chairperson Zoning Board of Appeals Town of Newburgh 1496 Route 300 Newburgh, NY 12550

Dear Ms. Cardone and Members of the Zoning Board of Appeals:

At your January meeting, several Board members indicated that they would find it helpful to see a survey of our land, where we are requesting a height variance for a stone accessory building.

Since that meeting, we have made repeated phone calls to several local surveyors, leaving messages and sending emails, but we not yet had a conversation; therefore, we have not been able to learn when we can schedule a survey or how long the process is likely to take. No doubt the heavy snowfall of recent weeks has been a factor in delaying surveyor responses.

We ask that the Board hold our hearing open and allow us to request an available time on a future agenda when we are ready to return.

Thank you, again, for your time and attention.

Sincerely yours,

Carol Pauli (Hudelson)
